

SSH Authorization Form

Overview:

In order to receive jailed SSH access on a HostDime.com, Inc. web server, we require a copy of your identification on file.

This may be in the form of a driver's license, passport, or state issued ID.

By signing this form, you agree that you are responsible for any server issues caused by your actions. We may revoke SSH access at any time. When you are done filling out this form, please do one of the following:

1. Print, sign, scan and attach to a ticket created in our Help Desk.
2. Electronically fill out the form on your computer. Print, sign, and e-mail to dedi.scan@hostdime.com with an attached copy of your identification.

*** Please be sure to attach your identification ***

The request will not be granted unless all required information is provided.
